

17th Annual ARTCRAWL Houston 09
Saturday November 21, 2009
Time 10 AM to 9 PM

The mission of the ARTCRAWL is to provide the public with a unique urban experience by viewing the exhibition spaces and individual artist studios where Houston area artists live and work. The Original ARTCRAWL event evolved from this neighborhood cluster of artists' warehouses in Downtown Houston. The cultural and social interaction provided by opening the studios not only makes the artwork and artists more accessible, but also increases the Arts' presence in the eyes of the community. The more we, as artists, educate the public about Art the more receptive they will be in participating in the Arts.

As an artist living and/or working in the warehouse district you are invited to participate in the
